

BURNHAM LEGAL PLLC
ESTATE PLANNING & ASSET PROTECTION

Estate Planning Client Questionnaire

The information on this Questionnaire is very important as it will allow us to create an Estate Plan specifically tailored to your needs. Please bring your completed Worksheet with you to your initial appointment with us so that we can spend more time discussing your goals.

Other Family or Pets:

People who Should Not Inherit – People that could have a claim to your property if you pass away, that you want to ensure do not receive any inheritance.

Full Legal Name: _____

Children: _____

Full Legal Name: _____

Children: _____

Full Legal Name: _____

Children: _____

Who would you like your belongings to go to in the event that you should pass? Please include the name and address of the people who you would like to receive an inheritance from you, and if you would like them to receive something specific, please identify it here. You may attach additional pages if you wish.

Do you want these people to get the property outright or do you have restrictions that you may want to place on any items?

If something happens to someone named above, should their children (if any) inherit what you are leaving them, or would you prefer someone else to inherit that item or asset?

Potential Agents to Assist You or Administer Your Estate:

People you would trust to pay your bills or make financial decisions for you if you were in the hospital and unable to make those decisions yourself:

- (1) Name: _____ Cell Phone Number: _____
Address: _____
- (2) Name: _____ Cell Phone Number: _____
Address: _____
- (3) Name: _____ Cell Phone Number: _____
Address: _____
- (4) Name: _____ Cell Phone Number: _____
Address: _____

People you would trust to take care of your children if you pass away and they are under the age of eighteen (18):

- (1) Name: _____ Cell Phone Number: _____
Address: _____
- (2) Name: _____ Cell Phone Number: _____
Address: _____
- (3) Name: _____ Cell Phone Number: _____
Address: _____

People you would trust to make medical decisions for you. These people should be people who you would trust to authorize medical procedures if you could not, they should think the same way you do about life support, and make good decisions in emotional circumstances. They do not have to be in the medical field.
